

# DENISON HYDRAULIC PRESS – SERIES FWS087M

## MULTIPRESS® BRAND HYDRAULIC PRESS

### 8-TON CAPACITY

The FWS087M Series press is a moderately priced, 8-ton floor model press of the "C" frame type. This press embodies the basic design features found in all Denison hydraulic presses. The Series FWS087M press is equipped with anti-tie down dual lever controls for manual operation. Ram force is adjustable within the 1 to 8-ton capacity.
